PRESIDENT'S MESSAGE

Well here it is, the last President's message of my term. I would like to thank all the brothers who have assisted me over the past 2 years.

It has been a privilege to serve as President of Division One, Monroe. It is an honor to be chosen to lead the Division and I hope I did a good job for us. We have a new Board coming in and we need to support them and keep the Division moving forward.

I would like to mention the two gentlemen who have served with me for the last few years but will not be on the Board this year. Ed Dennehy has served as the Financial Secretary and most recently the Treasurer. I thank him for his service to the Division on my Board. He has been a big asset to me.

Neil O'Riordan will also not be staying on in his current position. He has taken the reins of the JDJ and he needs to concentrate on that important job. He has been a huge part of the Division the last few years and will continue to be for many more years to come. He will be replaced as Recording

Secretary by John O'Brien who will do an outstanding job in filling some big shoes.

Please make every effort to be at the December meeting. The new Board will be sworn in. Good Luck to President Keith Reynolds and his Vice-President George Anderson. Mike Carroll stays on as Financial Secretary with Bill O'Donnell stepping into the Treasurer Chair .

Sadly, I must report that Brother Leo O'Grady passed away and we honored him as a Division with an impressive turnout. He was a true gentleman and a driving force for Hibernianism and the Irish community in Orange County for many years. He will be missed by all. We will be draping the Division Charter at the December meeting in his honor.

The Mid Hudson Parade Committee will be installing Bill Boss as their Grand Marshall for the 2012 Parade at AOH division Sunday December 11th at 4PM. Please make every effort to attend. Refreshments will be served.

The Mid Hudson St. Patrick's Parade which is held in Goshen every year is experiencing financial hardship. Due to the recession the village of Goshen now requires them to pay all cost associated with parade. This includes overtime for DPW and police. The Mid Hudson Parade Committee will be having a fundraiser Friday December 16th, 8 PM at the Paramount Theatre in Middletown to raise money to cover these additional expense now associated with the parade. Andy Cooney's A Traditional Irish Christmas show will be their fundraiser. Please mark the date on your calendar and make every effort to support this cause.

Children's Christmas Party and Ireland's 32 Early Bird on Sunday Dec. 18th.

Please remember to bring a non-perishable food item to the hall for the food bank to our next meeting.

Yours in Friendship, Unity and Christian Charity,

John O'Grady, President

IRISH CHRISTMAS TRADITIONS

Ireland, like most countries, has a number of Christmas traditions that are all of its own. Many of these customs have their roots in the time when the Gaelic culture and religion of the country were being suppressed and it is perhaps because of that they survived into modern times.

THE CANDLE IN THE WINDOW: The placing of a lighted candle in the window of a house on Christmas Eve is still practiced today. It has a number of purposes but primarily it was a symbol of welcome to Mary and Joseph as they travelled looking for shelter.

The candle also indicated a safe place for priests to perform mass as during Penal Times this was not allowed.

A further element of the tradition is that the candle should be lit by the youngest member of the household and only be extinguished by a girl bearing the name "Mary".

THE LADEN TABLE: After evening meal on Christmas Eve the kitchen table was again set and on it were placed a loaf of bread filled with caraway seeds and raisins, a pitcher of milk and large lit candle. The door to the house was left unlatched so that Mary and Joseph, or any wandering traveler, could avail of the welcome.

THE WREN BOY PROCESSION: During Penal times there was once a plot in a village against the local soldiers. They were surrounded and were about to be ambushed when a group of wrens pecked on their drums and awakened the soldiers. The plot failed and the wren became known as the "The Devil's Bird".

On St. Stephens day a procession takes place where a pole with a holly bush is carried from house to house and families dress up in old clothes and with blackened faces. In olden times an actual wren would be killed and placed on top of the pole.

The custom has to a large degree disappeared but the tradition of visiting from house to house on St. Stephens Day has survived and is very much a part of Christmas.

DECORATIONS: The placing of a ring of holly on doors originated in Ireland as holly was one of the main plants that flourished at Christmas time and which gave the poor ample means with which to decorate their dwellings.

All decorations are traditionally taken down on Little Christmas (January 6th) and it is considered to be bad luck to take them down before.

CHRISTMAS MASS: Christmas in Ireland is more of a religious holiday than in North America and Midnight Mass is a popular choice. It is also a time to remember deceased members of the family with holly or ivy placed on gravesites.

The Gaelic greeting for "Merry Christmas" is 'Noliaig Shone Duit" (Happy Christmas)

Santa Claus is Daidi na Nollag – (Daddy of Christmas).
